

Nail Services

Level 2 & 3
VRQ

Entry requirements

- Need to have an artistic or creative flair
- Ability to deal with customers on a personal level, and you will need to develop exceptional communication skills
- Enjoy practical work, whilst being able to develop manual skills

Why choose this course?

The Nail Service industry is rapidly expanding. People are keen to look their best and it is now recognised that this can make an important difference to all aspects of life. Professional nail technicians help people improve their presentation by treating their nails with a wide range of techniques and products. Nail technicians work from salons, hotels, holiday resorts and cruise ships.

The course covers a wide range of skills from simple manicure and pedicure services for various nail art techniques and also includes application of nail enhancements using liquid and powder. Health and safety, client care and communication are included.
