## **1.0 HEALTH & SAFETY POLICY**

### **1.1 Statement of Intent.**

- 1.1.1 This is a Statement of Organisation and Arrangements for Eggbuckland Community College Academy Trust (The Academy Trust), comprising Eggbuckland Community College (ECC) and Austin Farm Academy (AFA).
- 1.1.3 The Academy Trust will, so far as is reasonably practicable, ensure the health, safety and welfare at work of all its employees. The Academy Trust will also ensure, so far as is reasonably practicable, that non-employees such as visitors, students and contractors are not exposed to health and safety risks from the work activities of The Academy Trust.
- 1.1.4 The Academy Trust is committed to achieving compliance with and beyond, the minimum requirements of the Health and Safety At Work etc Act 1974 (HASWA) and associated Regulations.
- 1.1.5 The Academy Trust will, so far as is reasonably practicable:
- a) ensure that adequate resources are made available to ensure the effective implementation of this Policy and to ensure the health and safety of staff and others affected by The Academy Trust's activities;
  - b) ensure that advice is sought from competent persons on legal requirements for health and safety and on current best practice;
  - c) ensure that suitable and sufficient assessments are undertaken and recorded of all significant health and safety risks to staff, visitors and other third parties, from its work activities and that any control measures adopted are selected using the hierarchical approach to risk control required by the Management of Health and Safety at Work Regulations;
  - d) provide and maintain plant and systems of work that are safe and without risks to health;
  - e) make arrangements for ensuring safety and absence of risks to health in connection with the use, handling, storage and transport of articles and substances;
  - f) maintain any place of work under its control in a condition that is safe and without risks to health;
  - g) provide and maintain a working environment for its employees and visitors that is safe, without risks to health, and adequate as regards facilities and arrangements for staff welfare at work;
  - h) provide such information, instruction, training and supervision as is necessary to ensure the health and safety at work of its employees and trustees, including temporary staff and visitors, and information on risks for visitors and employees of other organisations who are working in Academy Trust premises;
  - i) provide for the use of its employees, such personal protective equipment as is necessary to ensure their health and safety at work;

- j) give special consideration to employees or visitors with disabilities or language difficulties that may affect their awareness and/or understanding of health and safety information;
  - k) make arrangements for the provision of a suitable occupational health service for staff;
  - l) monitor health and safety performance to verify that The Academy Trust's Health and Safety Policy is being implemented and health and safety standards are being maintained and progressively improved;
  - m) develop and maintain a positive and proactive health and safety culture.
- 1.1.6 The Academy Trust will ensure that adequate mechanisms are in place to effectively consult with employees and their representatives on health and safety matters.
- 1.1.7 The Academy Trust recognises Health and Safety as an integral element of its business, and it will be given equal status alongside other management functions.
- 1.1.8 The Academy Trust will ensure that appropriate systems are developed and maintained for the effective communication of health and safety matters throughout The Academy Trust.
- 1.1.9 The Academy Trust is committed to continuous improvement in health and safety performance and to this end will develop a Health and Safety Action Plan identifying key targets and areas for improvement in health and safety management and risk control. Progress with this plan will be monitored regularly by the Principal/Headteacher and the Buildings & Premises Committee of the Governing Body.
- 1.1.10 This Policy requires the commitment, co-operation and active involvement of all Academy Trust employees to ensure its success and effectiveness.
- 1.1.11 All contractors and consultants working for The Academy Trust are required to comply with this Policy.
- 1.1.12 The Academy Trust will ensure that procedures are established for appointing and monitoring the competency of contractors.
- 1.1.13 The Academy Trust will review this Policy Statement at least annually;
- 1.1.14 The Academy Trust will ensure that this Policy is effectively communicated to all staff;

Failure on the part of any Academy Trust employee, irrespective of their position, to comply with this Policy, including any safe system of work, may render that employee liable to disciplinary action and could result in criminal/civil proceedings.

## **2.0 ORGANISATIONAL RESPONSIBILITIES FOR HEALTH & SAFETY**

The Governing Body and Academy Staff are required to work together to ensure health, safety and wellbeing objectives are achieved. Below are those with special responsibilities and their responsibilities under this Policy:

### **2.1 The Governing Body**

**In consultation with the Principal/Headteacher, the Trustees will:**

- 2.1.1 Ensure that suitable resources and strategic direction are available to discharge The Academy Trust's health and safety responsibilities.
- 2.1.2 Monitor, via reports, the overall performance of The Academy Trust's health and safety management systems.
- 2.1.3 Ensure that any decision made is in line with the Academy Trust's own policies and procedures as they relate to health and safety.

Governing Bodies are subject to additional responsibilities.

## **2.2 The Principal/Headteacher**

The day-to-day responsibility for all Academy Trust's health, safety and welfare organisation and activity rests with the Principal/Headteacher:

- 2.2.1 Ensuring the effective implementation of Academy Trust health and safety policies and performance standards to ensure that health and safety risks to staff, visitors and third parties are properly controlled within the Academy Trust sites.
- 2.2.2 Implementing the requirements of this Policy and for ensuring compliance with all health and safety legislation.
- 2.2.3 Demonstrating personal commitment to health and safety by providing visible and active leadership and leading by example.
- 2.2.4 Ensuring a positive health and safety culture is evident and a proactive approach to health and safety management is adopted.
- 2.2.5 Ensuring all Academy Trust business decisions (including new projects, procurement decisions, contractor selection, office moves etc.) fully take into account health and safety considerations and that health and safety risks are considered at an early stage during project design and planning.
- 2.2.6 Ensuring that Academy Trust employees recognise health and safety as an integral element of their business, and that health and safety is given equal status alongside other management functions.
- 2.2.7 Ensuring the objectives and content of the Health and Safety Policy are fully understood by all Managers and that all staff under their control are made aware of their duties and responsibilities in line with the Policy.
- 2.2.8 Ensuring that this Policy is brought to the attention of all employees.
- 2.2.9 Ensuring that health & safety policies or procedures are reviewed annually, or when significant changes occur to their business, and that these are brought to the attention of all employees (including revisions).
- 2.2.10 Ensuring that health and safety is adequately resourced with both time and finances and that managers make adequate provision in their budgets for managing health and safety, to assist them in achieving the standards laid down by health and safety legislation, Policies, Performance Standards, etc.
- 2.2.11 Ensuring that the job descriptions of Managers, Departmental Heads, and Responsible Persons, contain specific areas of responsibility for health and safety management relevant to their Service Area and function.
- 2.2.12 Ensuring suitable persons are nominated to undertake key health and safety functions within the Academy Trust, such as risk assessors, (to carry out Display Screen Equipment, manual handling, Hazardous substances, fire or other risk

assessments), fire wardens, first aiders etc. and to ensure these individuals are adequately supported and suitably trained.

- 2.2.13 Co-operating and working closely with the Corporate Health, Safety and Wellbeing Team to achieve a safe and healthy working environment and obtaining competent advice and guidance where necessary.
- 2.2.14 Ensuring that within The Academy Trust, adequate provision is made for consultation with employees, including Trade Union appointed safety representatives, on health and safety matters and within good time. As a minimum, 'health and safety' should be included as a standing item at team/management meetings.
- 2.2.15 Ensuring his/her own attendance at IOSH Managing Safely training.
- 2.2.16 The Principal/Headteacher will bring to the attention of the governing body any significant health and safety issues, will involve the trustees in any policy matters and bring to their attention health and safety guidance received from the Education Service or Corporate Health, Safety and Wellbeing Team.

Full details of Principal/Headteacher's responsibilities in relation to Health and Safety can be found in the Plymouth City Council Health, Safety and Wellbeing Policy.

### **2.3 Principal/Headteachers Who Are Directly In Charge Of Council Premises And Establishments ('Persons In Control Of Buildings')**

The Principal/Headteacher is designated as 'The person in Control' of the premises, though they may delegate specific roles and functions to others.

Full details of the responsibilities of the Person in Control of Buildings can be found in the Plymouth City Council Health, Safety and Wellbeing Policy.

### **2.4 Employees**

All Academy Trust employees are directly responsible for:

- 2.4.1 Taking reasonable care for the health and safety of themselves and of other persons who may be affected by their acts and/or omissions.
- 2.4.2 Co-operating fully with their Manager or Responsible Person on all matters pertaining to their health and safety at work.
- 2.4.3 Not recklessly or intentionally interfering with, or misusing any equipment, safety devices etc. that has been provided in the interest of their health and safety at work.
- 2.4.4 Reporting promptly, in the first instance to their manager or responsible person, any accidents, injury, significant near miss, incident of violence and aggression, cases of work-related ill.
- 2.4.5 Report to the relevant manager, any defect, hazard, damage or unsafe practices or other items that could give rise to an unsafe place of work or cause injury or ill health to others.
- 2.4.6 Wearing any protective clothing or equipment and using any safety devices that have been provided for their health and safety while at work.
- 2.4.7 Observing safety rules, complying with codes of practice, corporate and departmental health and safety policies and guidance, and adhering to safe working procedures at all times.

- 2.4.8 Acquaint themselves with, and comply with, the procedure to follow in case of a fire or other emergency.
- 2.4.9 Attending health and safety training as directed and undertaking their work activities in accordance with any health and safety training provided to them.
- 2.4.10 Attending local health and safety and safety induction on their first day of employment.
- 2.4.11 Wearing any authorisation badge/identity card that is issued to them, so that the authorisation badge/identity card is readily visible whilst in corporate buildings.

## **2.5 Staff With Special Responsibility**

The following staff have special responsibility: Business Director, Curriculum Team Leaders, SENDCo, Kitchen Managers, Premises Manager, Activate Co-ordinator:

These job-holders will be responsible for:

- 2.5.1 The local arrangements to ensure the effective control of risks within the specific areas under their control;
- 2.5.2 the local arrangements for the purchase, inspection and maintenance of equipment and its specification
- 2.5.3 the coordination of The Academy Trust's health and safety policy in their own department or area of work, directly responsible to the Principal/Headteacher for the application of the health and safety procedures and arrangements;
- 2.5.4 establishing and maintaining safe working practices including arrangements for ensuring, as far as is reasonably practicable, the absence of risks to health and safety in connection with the use, handling, storage and transport of articles and substances, e.g. chemicals, hot water, sharp tools, etc;
- 2.5.5 resolving health, safety and welfare problems referred to them by members of their staff or referring to the Principal/Headteacher or Business Director any problems they are unable to resolve within the resources available to them;
- 2.5.6 ensuring that risk assessments are carried out when necessary, and on a regular basis within the overall programme for The Academy Trust, on the activities and equipment for which they are responsible;
- 2.5.7 ensuring, as far as is reasonably practicable, that sufficient information, instruction, training and supervision is provided to enable employees and students to avoid hazards and to contribute positively to their own health and safety;
- 2.5.8 obtaining relevant advice and guidance on health and safety matters.

## **2.6 Special Obligations Of Any Class Teacher**

In addition to the general responsibilities of employees, outlined above, class teachers are expected to:

- 2.6.1 raise any health and safety concerns outside their control related to their class area with their immediate line manager;
- 2.6.2 exercise effective supervision of students and know the emergency procedures in respect of fire, first aid and other emergencies, and to carry them out;
- 2.6.3 know the particular health and safety measures to be adopted in their own teaching areas and to ensure that they are applied;

- 2.6.4 give clear instructions and warnings to students as often as necessary; (this may be something that overlaps into behaviour policy and, in the event of an accident to a student, may help defend a claim)
- 2.6.5 set a good example by following safe working procedures personally;
- 2.6.6 ensure the use of protective clothing and guards where necessary;
- 2.6.7 avoid introducing any personal items of equipment or substances that may cause unacceptable risk in their use.
- 2.6.8 build in safety education in curriculum planning.

## **2.7 College Health And Safety Representatives**

Safety Representatives are appointed by recognised Trade Unions.

At present there are no such Representatives.

Under the requirements of the Safety Committee and Safety Representative Regulations 1977, where Safety Representatives are appointed they will be given adequate time and facilities to fulfil their functions.

## **2.8 The Students**

Students will be reminded that they are expected to:

- 2.8.1 exercise personal responsibility for the health and safety of themselves and others;
- 2.8.2 observe standards of dress consistent with safety and/or hygiene, as detailed within the appropriate curriculum safety guidelines;
- 2.8.3 observe all the health and safety rules of The Academy Trust and, in particular, the instructions of staff given in an emergency;
- 2.8.4 use and not wilfully misuse, neglect or interfere with things provided for their health and safety;

All Students and parents will be made aware of the contents of this section of the policy through the Student Planner.

## **2.9 Contractors**

- 2.9.1 All contractors under local control will be appropriately selected and competent in terms of health and safety
- 2.9.2 Contractors must be made aware of and abide by The Academy Trust's health and safety policy and not endanger students, staff or other visitors to the site.
- 2.9.3 The Premises Officer (at ECC) or the Headteacher (AFA) will be responsible for the coordination of contractors' activities on site, bearing in mind the guidance given in the *aide memoire* on small building works.
- 2.9.4 The Principal/Headteacher must ensure that any temporary rules, such as exclusion from parts of the premises, are made known to all staff, students and visitors to the premises. This might be achieved by the posting of suitable notices by The Academy Trust, or by the contractor, in consultation with the College/school.

2.9.5 The Principal/Headteacher will consult the Capital Project Team, Asset Management Team or the Corporate Health, Safety and Wellbeing Team for any additional guidance on these matters.

2.9.6 All contractors must report to the Premises Officer (ECC) or Headteacher (AFA) before any work takes place and prior to each working session. The Premises Officer / Headteacher should then inform the contractor of any conditions which may affect his safety and that of others.

## **2.10 Visitors And Other Users Of The Premises**
