Welcome message from Mrs Mullally

What a fantastic first term the Year 11 students have had. We are unbelievably proud of how they approached their autumn mock exams. We now have the countdown to the next set of mocks in February. This booklet will support them in this journey

Every student can gain fantastic grades at the end of Year 11; however, I know that they will need support along the way. Students will have access to a range of academic and revision support via the tutor programme and their class teachers. They will also have access to mental health workshops and assemblies focused on coping with stress, as well as pastoral support.

It is vital that students are supported to attend 100% of the time to ensure they learn 100% of the content that will come up in their exams.

Above everything, I believe all students should be able to access their potential with the support of the people around them to meet their aspirations.

About this Booklet & Updates

Thank you to all those who contributed feedback to improve this booklet further. Those who have been using the booklet have given overwhelmingly positive feedback. Some key updates and changes you will notice.

- All course information for the February mocks and Summer examinations is available in the booklet published in October 2023 (to save re-printing). You can view an online version of this content online on the College website: <https://www.eggbuckland.org.uk/year-11-revision>. Note that the online versions of this document have clickable links rather than QR codes.
- There is a collated page of links to past papers in this booklet.
- We offered via an order form printed past papers (mark schemes available through the links for self-marking).
- All option subjects will have stickers for revision which can be inserted into the revision pages.
- A section for students to fill in their provisional summer examinations timetable.

Mental Health Support

We know that Year 11 is a stressful time for Students however, it shouldn't go unnoticed that it is also a stressful time for parents and carers as well, often not knowing how to support your child during this time.

Here are some useful documents and links that can support your child with their mental health but also provide ideas of what you can do at home to help.

Kooth	Young Devon	Young Minds	The Zone	Stop. Breathe. Think
				

Stop. Breathe. Think	Student guide to managing exam stress	Supporting your child to beat exam stress

Supporting your child to beat exam stress: <https://www.place2be.org.uk/media/0ttpyr0h/navigating-exam-season-guide-for-parents.pdf>

Links to Past papers (Collated):

Use these links for past papers. The links will also provide the mark schemes for students to self-mark these.

Students can print in school using their print credit. If their print credit runs out from printing past papers, they can contact ICT support (logsupport@eggbuckland.com) or visit them in the PDC) to have this topped up at no cost to them.

Weekly Homework, Revision and 'Aim Higher' Revision

The following section provides a weekly breakdown of homework that is set (in conjunction with classcharts), along with a specific revision activity to complete. There is also the option for an 'Aim Higher' revision activity which will support students achieve the highest grades.

For option subjects, there is space left for students to fill in these homework and revision activities with the support from their subject teachers, as these will be specific for each individual student.

These revision activities will be acknowledged weekly during tutor time on a Monday.

Week Log:

Week beginning 8th January 2024

In Year 11 this week:
11th- Subject Parents evening
12th- Register on apprenticeship platform- Assembly

Core Learning:

Subject	Homework / Revision	Date Completed
English Literature/ Language	Homework: See Classcharts	
	Revision: - Create a timeline for the plot of Macbeth	
Maths	Homework/Revision: Use your bespoke pinpoint checklist (Attached to the back of the booklet). Aim for 45-60 mins a week on SPARX – this will be checked by your Maths class teacher. Start with the lowest grade codes and work towards the higher grade codes over the next few weeks.	
Science https://my.educake.co.uk/assessment/22244108	Homework: See Classcharts (Set on Educake, based on this week’s learning, prior learning from the current topic and core science concepts) Revision: • Biology Paper 1 Revision: Log in to educake and use the QR code to the left. Before you click on the "begin quiz" button that appears for this quiz, read the educake study guides for this part of the topic that have a link in the same window. Then attempt as many questions as possible in the quiz.	
Geography	Homework: See Classcharts (Use Knowledge Organiser) Seneca learning 5.1.1 measuring development	
	Revision: CORE – These are paper copies which will be given to you by your class teacher each Wednesday. This is due in the following Wednesday. Measuring development KO Measures of development KO Recap sheet – Measuring development + Economic and social measures EXTRA HELP CGP page - 111-112 What are development indicators? - Internet Geography How reliable are economic indicators of development? - Internet Geography Why is the Human Development Index important? - Internet Geography	
History	Homework: See Classcharts (Set on Educake)	
	Revision: CORE – Use the Revision Guide and Workbook to self-quiz or mind map pages 1 – 4: 1 The legacy of the First World War	

	2 Strengths and weaknesses of the Weimar Constitution 3 Why the Republic was unpopular 4 Challenges from left and right	
Subject	Homework / Revision	Date Completed
Option B Revision:
