

Art & Design

VOCATIONAL

BTEC Level 2 & 3
VRQ

Entry requirements

- You need to be creative and open to trying new ideas
- Ability to draw, as this is the main way in which artists and designers develop and communicate their ideas
- You will be interviewed for these courses and you will need to take some of your work to the interview and be able to say why you want to study Art and Design

Why choose this course?

Everything that is made or produced for our use or entertainment has been 'designed'. Products as varied as chairs and magazines, sportswear and web sites have been 'designed'. Usually the designer has studied Art and Design or some aspect of it. Following a course in Art and Design could be the first step towards an exciting career in the creative industries.

Possible career pathway

Most Art and Design students will need to continue into Further and Higher Education to qualify for employment in the creative industries.

Artists and designers tend to specialise and work alone as 'freelance workers' or in small teams. You may need some entrepreneurial and business skills which the higher level courses will help you develop.
