Dear Parents and Carers,

## Enrichment Week 2025

It is with excitement that we would like to launch Enrichment Week 2026. This will take place from the 20<sup>th</sup> to the 22<sup>nd</sup> of July. Students in Years 7, 8 and 9 will be able to sign up for a trip from a wide selection. All trips, descriptions and pricing can be found in the accompanying booklet. We have organised a wide range of activities for students to choose from, which we hope will inspire, challenge and encourage and development their resilience and growth as exceptional young people.

Each of the trips have been put together and organised by staff and we have ensured that there is a whole range on offer. Our lowest priced trips and activities are free, and then the trips increase in value up to an abroad residential trip at approximately £840. Places on each trip will be secured via ParentPay; should parents have any issues accessing ParentPay, please get in touch as soon as possible so that we can assist where possible.

Places on all trips will be allocated on a first come first served basis on Monday 8<sup>th</sup> December 2025. In order to support families and varied working times, we will be release half of the available places on each trip in Wave 1, at 7am, and the remaining half of the places (and any remaining from Wave 1), will be released in Wave 2 at 7pm. These release times should also enable parents to complete the booking with their child. For example, if a trip has 30 places, 15 will be allocated to Wave 1 and 15 plus any remaining from Wave 1, will be allocated to Wave 2. It is important to note, that the non-refundable deposit must be paid at the time of booking. All trips have flat deposit of £10 to secure a place.

The Enrichment 2026 booklet has been designed with activities starting from our lowest to the most expensive, making it easy to navigate. Each activity will have a brief description, followed by day-by-day activity plan, and any specific requirements. Please familiarise yourself with the specific requirements; for example, if a trip has an activity that requires a swim ability of 50 metres, your young person must be able to do this or they will not be able to take part in that activity as per the guidance from provider. You will then see the deposit and instalment plans below.

Category Type	Cost bracket	Deposit required	Number of instalments
A	Free	N/A	N/A
B	£15-£90	£10	1-4
C	£105-£300	£10	5
D	£325-£840	£10	5

## Cancellation of Eggbuckland Community College Trips and Insurance

If an Eggbuckland Community College trip is cancelled by the company/provider that is organising it, this will result in a full refund for the student. However, if a student books their place and subsequently cannot or does not wish to attend, unless another student is found who can take their place, the student is still liable for the full cost of the event.

Once a deposit is received, this is taken as confirmation that the parent/carers is committed to paying the full cost of the trip.

If there is an exceptional circumstance, such as illness or injury resulting in a student being unable to attend the trip, a suitable doctor's note will be required in order to proceed with an insurance claim.
